INFORMATION FOR APPLICANTS

The purpose of the Palmetto Fellows Scholarship Program is to recognize the most academically talented high school seniors in South Carolina and to encourage them to attend college in the State.

Eligibility Criteria of the Program:

- ◆ **For final awards for high schools that rank and use the SC Uniform Grading Policy**, students must submit electronic applications through CollegeNet (website to be given by your guidance counselor) by **June 15, 2010**. Students must meet one of the following sets of academic criteria in order to be eligible to apply for the final awards:

1. Score at least 1200 on the SAT or 27 on the ACT through the June national test administration of the senior year*. In order to determine the highest combined score, the score on the SAT must be calculated by using the highest Math score combined with the highest Critical Reading score only. The ACT composite score must be at one test sitting;
2. Earn a cumulative 3.50 GPA on the SC UGP at the end of the senior year. Grade point averages must be reported with at least two decimal places and may not be rounded; and
3. Rank in the top six percent of either the sophomore, junior or senior year based on the SC UGP. The number eligible may be rounded up to a whole number if the top six percent does not yield a whole number of students.

- OR -

For schools that do not rank as a policy and for students qualifying without regard to rank:

1. Score at least 1400 on the SAT or 32 on the ACT through the June national test administration of the senior year*. In order to determine the highest combined score, the score on the SAT must be calculated by using the highest Math score combined with the highest Verbal score only. The ACT composite score must be at one test sitting, and
2. Earn a cumulative 4.00 GPA on the UGP at the end of the senior year. Grade point averages must be reported with at least two decimal places and may not be rounded.

Out-of-State institutions, private schools, home school associations, and home schools:

You must contact the Commission on Higher Education to determine if your school is able to use rank as a criteria or the alternate criteria for your school.

* You have until the June test administration of the SAT or ACT in order to qualify for the Palmetto Fellows Scholarship. You may apply even though you have not met the minimum score requirement if you are registered to take the SAT or ACT in June 2010. Score reports must be submitted directly to the Commission on Higher Education by indicating our assigned code on the registration materials. Our assigned codes are: **SAT - 4313** and **ACT - 6326**. *Your application will be contingent upon your meeting the minimum score requirement on the June test administration. Your application will be withdrawn if the score report does not indicate that you earned at least 1200 on the SAT or 27 on the ACT.*

Federal Privacy Act Information:

Public Law 93-579, referred to as the Federal Privacy Act, became effective September 27, 1975. Section 7b of this law requires any Federal, State, or local agency that requests an individual to disclose his/her social security number to inform the individual whether that disclosure is mandatory or voluntary, by which statutory or other authority the number is solicited, and what uses could be made of it. The Commission requests that each applicant for its student aid programs submit a social security number.

This Commission uses a student's social security number for the following purposes:

- ◆ To serve as a unique number for applicant and recipient identification in processing forms used in the application and in collating resulting data;
- ◆ To report awards to educational institutions on enrollment rosters; and
- ◆ To report the number of awards to the comptroller who issues checks.

Description of South Carolina Residency for Tuition and Fee Purposes:

Generally, to be a resident of South Carolina, one must reside in South Carolina with the intention of remaining in the State indefinitely. One cannot be a resident of South Carolina if one resides in the State solely for securing an education or if one recognizes some other state or foreign jurisdiction as one's true home.

The residency official at the college or university you attend will determine your residency for tuition and fee purposes under residency statutes of South Carolina, Chapter 62: Determination of Rates of Tuition and Fees. *If it is determined that you do not qualify for in-state tuition and fees before or during your matriculation at the institution, the Palmetto Fellows Scholarship will be immediately revoked.*
