Only graduate courses can be processed through this admission's form. If you are applying for undergraduate or ALIN courses, please do so only through the respective forms: https://www.applyweb.com/auc/index.ftl.

Scanned originals (soft copies) of all credentials are accepted only for the purpose of processing graduate admissions applications, but the original documents may be required prior to the announcement of the final decision. Electronic credentials can be attached to this application form or submitted after receiving your AUC ID number from the University's Office of Enrollment, Admissions and Student Service Center (EASSC).

To be considered for admission, you must submit the following completed forms and documents:

❑ **Completed application form**
Application fee of $50 (nonrefundable)

❑ **Supporting documents**
- Updated CV (résumé) – All applicants
- Clear copy of valid national ID card (Egyptians only) or valid passport information pages (for non-Egyptians); attach both for dual nationals.
- A clear scanned copy of a recent official photograph (Passport-size photos)
- For Egyptian males only: An original certificate of the military service status must be presented to the Student Service Center (SSC), where a valid, true copy is made.

❑ **Official transcript**
(*Bayan daragat* - an academic record of courses completed per semester and their corresponding grades) from all higher education institutions that you have attended other than AUC.
If the transcripts or academic records do not clearly indicate a start and end date (or month), you must provide an official enrollment certificate from your home university indicating such details. The documents mentioned here should be sent from your home university directly to you and affixed with a seal.
Original transcripts will only be accepted if they bear an official stamp and are in sealed envelopes. The stamp of the Ministry of Higher Education of the country where the home university is located, verifying the degree and major, is required. In instances, determined by the Office of Graduate Admissions at AUC and based on the available proof of degree/major accreditation, an equivalency letter from the Egyptian Supreme Council of Universities will be required.
Photocopies or unofficial transcripts will be accepted for evaluation purposes only. Final official transcripts with proof of degree completion and graduation may be requested by the Office of Graduate Admissions, and these can be submitted in person at the Student Service Center at AUC New Cairo (entry through Gate 1) or sent to the address indicated at the end of this application form. Applicants may retrieve their original documents at the beginning of the semester.

❑ **Required test results**
- Unofficial, online copies or scanned copies are acceptable only for processing the graduate admission application. The Official results will be required at a later stage.
- English test results are valid for 2 years, starting from the test date, and must remain valid through the first day of classes of the semester to which the student is admitted.
- Applicants are required to demonstrate a level of English sufficient to participate and be successful in the AUC graduate studies. Language proficiency is evaluated through the international TOEFL, academic IELTS exams or either the Advanced or Proficiency Cambridge Assessment English tests. These tests are offered at numerous locations around the world.
- Band scores from different tests **cannot be combined** for final placement.
- The 'One Skill' retake of the academic IELTS is acceptable for valid official results that are verified online.
- Graduate applicants who hold degrees from an accredited English-language-only university may be exempted from presenting evidence of academic English proficiency, where at least one consecutive academic year of full-time studies was recently completed. This exemption is determined by the Office of Graduate Admissions upon evaluation of the graduate applications and credentials.
- **Official TOEFL scores should be sent to the AUC institutional code 0903.**
- **Nondegree applicants must achieve at least "full admission" scores to be admitted.**
