EARLY DECISION REQUEST

The Admission Committee of Muhlenberg College will make formal commitment to a number of candidates each year whose qualifications clearly indicate strong promise for successful college performance. *Early Decision candidates have selected Muhlenberg as their first choice* and have not applied to another institution for Early Decision Review. *Complete applications for Early Decision must be submitted no later than February 1* and notifications will be sent from the College between December 1 and February 15. *These candidates may file applications to other colleges for regular decision with the understanding that these will be withdrawn if accepted under the Early Decision plan at Muhlenberg.* Acceptance of the offer of admission is confirmed by remitting the \$400 deposit. Muhlenberg values the energy and enthusiasm brought to campus by students for whom the College is a strong first choice. In recent years, the College has filled approximately forty-five to fifty percent of the seats in the first-year class via Early Decision.

I have determined that Muhlenberg College is my first choice and am applying for Early Decision in accordance with the description above.
