COLLEGE OF EDUCATION
EVALUATION OF EDUCATION APPLICANT**

To the evaluator: The person named above is applying to the College of Education at Pacific University and has requested that your evaluation be included as part of the information on which we will base our admission decision. You can assist us in our evaluation of this applicant by responding frankly to the questions on this form. If you do not know the applicant well, return the form to the applicant so that it may be given to another evaluator.

The U.S. Family Educational Rights and Privacy Act of 1974 (FERPA) requires that permanent files be open to successful applicants who then enroll in a college or university. To comply with FERPA and to ensure a candid response from evaluators, the Office of Admission will remove from the applicant's file the completed letters of evaluation of all successful applicants prior to the student entering Pacific University. Thus, your comments will not reach the applicant.

The admission procedure of the College of Education requires the applicant to gather three letters of evaluation (and other documents) and submit a complete set of documents with the application. The advantage of this system is that the applicant knows the application is complete when submitted. **Complete this form, place it in the envelope provided by the applicant, seal the envelope, and sign it across the seal. Return it to the applicant, who will forward it, unopened, to the College of Education.** Thank you for your assistance.
